Free Evaluation Tips & Terms

Test a sample of your organization's information

Dear Early Adopter (you),

Information that slows down processes is bad for your customers and employees. Try our lean approach to consistently actionable information. Time is money.

Use the following Tips for your Free Evaluation. By sending us your Information Sample you agree to the Terms below.

Tips Choose an Information Sample that:

- Impacts you directly and perhaps your team
- Causes confusion and delay, wasting time and money
- Is used regularly, e.g., email, texts, forms, reports, diagrams, or slides
- Will deliver significant benefit when more actionable (important/urgent)

Terms You will submit an Information Sample (or partial example) that is:

- Business, science, or education in nature
- Anonymized – sensitive text hidden or deleted, e.g., proper nouns, numbers
- English or German (currently supported)
- PDF file formatted

Next steps

1. Choose your Information Sample
2. Send it to: rhyams@leaninformation.com
3. Tell us anything that might be helpful

We look forward to serving you,

Ron Hyams, Founder
LEAN INFORMATION

LEAN INFORMATION will determine Good Fit and if we can help you. We will then report to you the kinds of waste in your Information Sample and possible opportunities for improvement. Your information will never be shared with, or sold to, third parties. It will be destroyed after our Free Evaluation. Lean information principles are universal, applicable to all business functions and content types.
